Hi Matt

Not at all, looking forward to seeing the final guidance docs. Sorry for throwing this at you on such short notice but we have some ideas for how to move forward with this re-evaluation at Woodbrook and I just wanted to make sure we are all on the same page.

Thanks
Diane

Hi Diane,

Hope you're doing well! Mike Beuthe and I have an intern this summer with a statistical background. We'll be turning her loose on the draft SWAC guidance docs to try and get them into a readable format. Would you have any objections to her joining us for the Woodbrook Rd Dump call?

Thanks,
Matt
